DRESS CODE & UNIFORMS

As we settle into the dance season, here's a friendly reminder about our studio dress code. Proper dance attire helps dancers succeed by:

- Allowing teachers to see alignment and give accurate corrections
- Ensuring safe, comfortable movement
- Encouraging focus and professionalism
- Building team spirit and unity

Dancers should arrive ready for class each week in the proper uniform, with hair neatly secured and correct footwear. Our full dress code and uniform guide is available on our website if needed.
Thank you for helping us create a focused and positive learning environment!
